

SRP STEAM Academy: *Getting Little Feet Wet*

K-2nd Grade Educators

June 4th - 5th, 2026

9:30am - 4:00pm

Salt River Project and Arizona Project WET invite you to an immersive, experiential STEAM academy. In this 2-day workshop, educators gain tangible resources and a supportive cohort to lead their young students through meaningful applications of FUNdamental, hydro-science instructional concepts.

This academy delivers exclusive access, presentations by industry experts, as well as activities from the newest editions of Project WET's world-renowned curriculum guides. Educators, this is where your working knowledge on water management in Arizona goes deep!

EXPLORE

- New paradigms for engaging early learners in relevant STEAM practices that focus on systems thinking and project-based problem solving.
- Experience learning utilizing phenomena, cross-cutting concepts, and science and engineering practices.

GAIN

- In-depth knowledge of the SRP water system.
- Receive 12 hours of professional development (CE) & **\$200 stipend** upon completion.
- Snacks and lunch provided by SRP.
